

Meeting with Organization AGA

On Monday, 16th March , 2015 The General Directorate of Human Development with the presence of Ministry Advisor, KIPA Manager and Public Relations & Marketing Manager held a meeting with AGA Local Organization which is volunteer and leading in training and awareness. The purpose of the meeting was to establish communication and cooperation between our ministry and this organization .

During the meeting, the training fields and topics that both sides deliver were discussed to make use of the experience of each other and implement different training according to the experience of both sides and attempting to have partnership in training courses.
